Simplifill™

Dispensing Made Simple®

Bottle capacity: 2 Liters

Dilution Ratio: Fixed dilution

Sustainability:

Bottle is 25% post-consumer recycle material

Bottle is recyclable after removing the head assembly

Packaging: 2 per case

Dispensing

Spray bottle: Attach a water source to the Simplifill quick-connect attachment. Turn on water. Press down on the trigger to dispense product.

Bucket or auto scrubber tank: Attach a water source to the Simplifill quick-connect attachment. Turn on water. Press down on the trigger and slide the lock to continuously dispense product.

Tamper-Proof Design

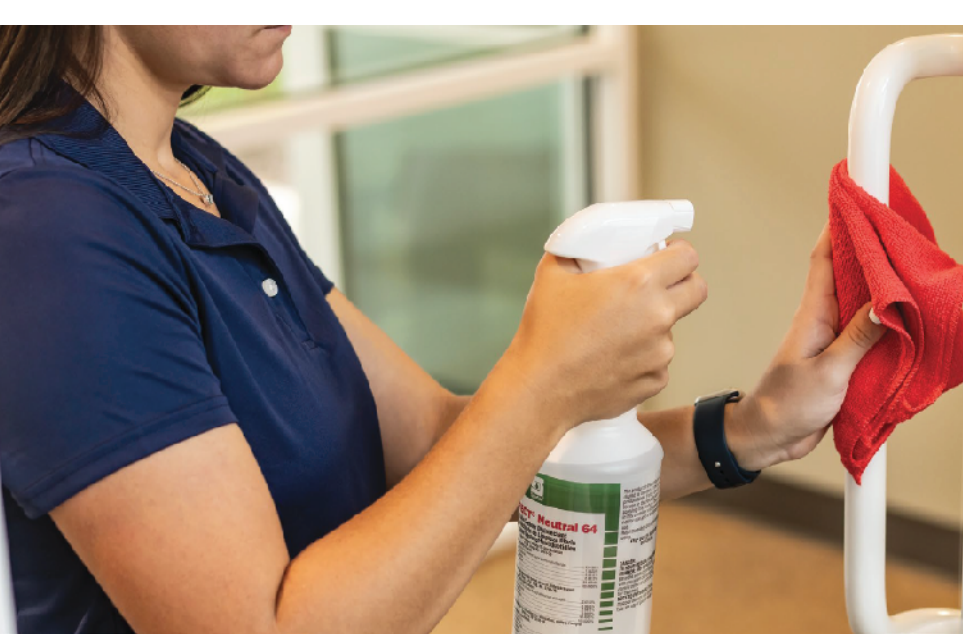

Safe by design, Simplifill has been engineered to be tamper proof. Dispensing is done directly from the integrated Simplifill dilution control — reducing the risk of chemical exposure for a safer cleaning environment.

Simplifill Quick-Connect Kit 99191

SPN99191: Simplifill Quick-Connect Kit

No Backflow Required: Maintain state and local standards without a backflow in place by simply disconnecting the Simplifill product from the water source after dispensing.

Always Accurate

Integrated dilution mechanism restricts the possibility of under- or over-diluting the concentrate.

Delivers **accurate dilutions** every time, ensuring proper product performance, **cost control**, & efficacy.

Easy to Operate

No complex instructions or special skills needed — just **attach, dispense, & clean!**

Color-coded labels take the guesswork out of dispensing and keep you compliant with OSHA-regulated workplace safety practices.

Compact & Portable

Designed with durability and **portability** in mind making it an ideal solution for route work.

No mounted dispenser is required so you can take it with you floor to floor, building to building — wherever you have a water source.

A complete line of Spartan Chemical products now for Simplifill - IN STOCK!

SPN102922: Halt® 5

A concentrated one-step disinfectant cleaner that is effective against a broad spectrum of bacteria and is virucidal including Hepatitis B Virus and Hepatitis C Virus. Halt 5 is formulated for use in daily maintenance programs with a balance of detergents, biocides and malodor

pH: 11.0-12.0 • **Dilution:** 2oz/gal • **Scent:** fresh • **Carton Yields:** 65 Gallons / 270 Quarts

SPN191922: Xcelenté®

This multi-purpose, hard surface cleaner features the fresh, clean fragrance of lavender. The phosphate-free formula is ideal for floors, and other surfaces where a bright, shiny, streak-free finish is desired.

pH: 7.0-8.0 • **Dilution:** 0.25oz/gal • **Scent:** fresh lavender • **Carton Yields:** 540 Gallons / 2163

SPN003522: Clean by Peroxy®

A Green Seal™ Certified all-purpose cleaner formulated with the cleaning power of peroxide. Clean floors, walls, carpets, restrooms, kitchens, tile, and grout without streaking.

pH: 2.0-3.0 • **Dilution:** 2oz/gal • **Scent:** spring rain • **Carton Yields:** 65 Gallons / 270 Quarts

SPN471622: NABC® Concentrate

A broad range germicidal cleaner-disinfectant concentrate specifically designed to clean and disinfect toilet bowls, urinals, and other hard, nonporous restroom surfaces.

pH: 5.0-6.0 • **Dilution:** 2oz/gal • **Scent:** floral • **Carton Yields:** 65 Gallons / 270 Quarts

SPN208022: Top Scrub Pro®

Top Scrub Pro is designed for use with standard floor machines or auto scrubber floor care equipment, using hot or cold water. Fast and effective on tough soils and stains and features a light fragrance to eliminate strong solvent odors.

pH: 11.0-12.0 • **Dilution:** 1oz/gal • **Scent:** pleasant • **Carton Yields:** 135 Gallons / 540 Quarts

SPN202222: Warpspeed™

Fast and effective, Warpspeed is designed to remove dirt, grime, adhesive, gum, food soils, scuff marks, oils, and stains. Just spray and wipe. Most applications require no rinse.

pH: 13.0-14.0 • **Dilution:** 2oz/gal • **Scent:** cherry • **Carton Yields:** 65 Gallons / 270 Quarts

SPN383522: BioRenewables® Glass Cleaner

Biobased and can be used on window glass, panes and sills, mirrors, countertops, chrome, automobile glass, fluorescent lights, and tubing. Removes tough soils such as grease, smoke, oils, tape residue, food stains, dust, and dirt.
